

MEMORANDUM FOR: All Recipients of Subject Report

SUBJECT : Transmittal of CIA/RR-GR-121, Recommended  
Unconventional Warfare Areas [redacted]

REFERENCE : Memorandum for the Record, Subject: Selection of  
Areas Considered Most Feasible for Unconventional  
Warfare Purposes, dated 2 April 1955

25X1B

1. Transmitted herewith are copies of a report which describes the areas recommended for unconventional warfare purposes, based on a country wide feasibility evaluation.

2. This report contains: a. A brief discussion of the country as a whole, presenting the advantages of each major region for UW activities; and b. A fairly detailed description of the individual recommended areas.

3. The specific areas were selected with the guidance of the criteria set forth in the reference memorandum for the record, and all intelligence sources were drawn upon in the evaluation. The primary considerations, since the factors not reflected in the selection of the recommended areas, are elaborated in the attached statement.
